18:00-21:00

LAPPISH FEAST AND SHAMAN SHOW -

DINNER AT SAAMEN KAMMI RESTAURANT

“Saamen Kammi” is the most authentic Lappish restaurant in Finland. Tasty Northern meat and fish delicacies are served in the clay pots around the open fire: reindeer tongue, ribs, steak and sautéed reindeer, flame-glowed salmon, arctic char baked in the oven. The evening culmination will be a unique “joik” show by the restaurant master and authentic Saami shaman Niles Jouni. Dinner price includes unlimited food from the buffet, fish soup of 2 kinds of fish, traditional desert from the cloudberries and Lappish cheese, shaman show, still water, coffee and tea. Other drinks can be purchased on the spot.

Restaurant is located 5 minutes walking distance from the central slopes. It is built as a turf hut partly dug into the ground. Next to restaurant there is a reindeer corral.

21:00-22:30

NORTHERN LIGHTS CHECK

Welcome to our “Polarman’s camp” – our exclusive place in Levi, without tourist buzz, with unobstructed Northern horizon view, almost 360° sky view, minimum light pollution and a warm-up place!

You’ll be met by the Polarman-storyteller who will be your guide to the mysterious Northern Lights World. You will learn interesting facts about this natural phenomenon and also some secrets and hints of taking good photos of the Lights with you in it. In our igloo by the stove with crackling fire inside you can always warm up, have a glass of hot berry juice or drink and ginger cookies. Temperature inside the igloo stays around +5 degrees or higher. Accompanied by our team members you can go for a nice walk on the lake and enjoy the silence and beauty of the winter nature.

This tour does not guarantee you see the Northern Lights, but greatly increases chances of seeing it and makes very comfortable experiences.

The handsome Riihi is a rustic restaurant lodge that provides an authentic Lapland atmosphere for its guests. It is decorated with artifacts and elements that all have stories relating to Lapland's wilderness and life. The menu at the Riihi is based on the traditional Lapland specialties as well as delicious contemporary adaptations of northern culinary dishes that are based around local fish and reindeer.

19:45-21:45

AURORA HUNTING ON REINDEER SAFARI

Travel in time machine back to the past when Saami people used the reindeers as means of transportation and during long winter nights, Aurora lighted them way to home.

Short 10 min transfer from Levi center will bring you to the opposite side of Levi mountain to a wilderness hilly area. You will be met by young reindeer herders Riikka and her brother Tobi at their teepee and after short instructions you will start on a magical 3 km safari. Reindeers will take you along the fell side where you will be face-to-face with breathtaking and beautiful nature with snowy furry trees crispy clean air. May the luck be with you to see the beautiful Aurora or at least the starry sky. When back to camp, the hosts will invite you inside the teepee to warm up around the open fire with a warm berry juice while hearing a short story of the reindeer herder's life.

Dinner buffet at Levi Hotel Spa

Northern natural light and peacefulness

Ahku buffet restaurant was revamped during summer 2018, serving customers breakfast and dinners according to season and also lunches to order. Differing from Finnish traditions, the serving areas for the buffet have been distributed around the dining hall, just to make sure we avoid any congestion. The lighting is made from led light strips decorating the curtains. The white curtains brighten up the morning and make the whole space intriguing. The partition curtains and high-backed dining booths allow you to dine in privacy.

18:45-21:30

NIGHT SAFARIS "IN SEARCH OF NORTHERN LIGHTS" (25 km)

Local Lappish people claim that snowmobiling is the best way to see the beauties of the Arctic region. There are over 1000 km maintained snowmobile tracks with signs and special rules.

When the sun sets, comes the blue darkness of night. Then we're ready for the night adventure: we rev up our engines and speed across fields and through the wilderness, hoping to see aurora borealis dancing in the sky, or at least hope to see moon and the bright stars... After a while we will arrive to the lean-to, where guide will make crackling campfire to keep the chill winds and freezing temperatures at bay. We will have a cup of warm drink and fry sausages. Then we head back home.

Note: to drive the snowmobile a valid driving license is needed. Alcohol tolerance is zero.
